Dear Mr Roselle,

Re: Block Scheme for Members of McTimoney Chiropractic Association

Thank you very much for your payment of £186.31.

We have pleasure in enclosing the following documents for your attention:

- A policy schedule for your Professional, Public and Products Liability Policy
- A policy schedule for the Commercial Legal Protection Policy
- A policy schedule for your Individual Personal Accident Policy

Please notify us as soon as possible if during the period of Insurance there are any changes in circumstances or in the material facts previously disclosed to us. Your policy is on a claims occurring basis, which means that if you stop the policy, it will always be in place if a claim was made at a later date for work done within the policy period and this is for an unlimited period of time. If discontinuing, kindly let us know the reason so we can mark your records accordingly.

It should be noted that acceptance for the following activities and/or therapies noted on the Schedule of Insurance relating to the Zurich Professional Liability policy has been based on the proposal form and/or fact find received together with the acceptance of competency based on the level of training and experience noted and agreed by Balens Ltd. Please make reference to the qualification condition in the policy wording which highlights the authority granted to Balens to provide cover on this basis.

Therapies/activities agreed based on experience and training rather than a formal certificate of competency: **Hand Held Massage Machine**

Please remember in the event of a possible claim or incident please contact us. Please do not admit liability or mention that you are insured to a possible claimant. This enables insurers to protect your interests.

The policy has been issued, unless otherwise stated within the policy Schedule, on the understanding that you made a fair presentation of the risk to be insured.

You are responsible for disclosing complete and accurate information and every material circumstance which insurers require in connection with any proposal for insurance cover. If you do not make a fair presentation of the risk the policy may be avoided, written on different terms or a higher premium may be charged, depending on the circumstances of the failure to present the risk fairly.
